

Long-life Prayer for Khenchen Tsewang Gyatso Rinpoche

When the Bodhicitta of the Victorious Ones of the three times ripens,
From the Dharmakaya clear light in which abandonment and realization are accomplished,
Primordially complete, primordially pure, the great release-by-itself,
The unmoving and unchanging enlightened mind of emptiness and compassion
Delights in the release of beloved students to be tamed.
Glorious Supreme Guru, holder of the three vows,
Enlightened body filled with the merit and primordial wisdom of the Sage's teaching,
Indestructible, permanent, stable, limitless vajra life,
Having received nourishment in Amitayus Buddha's essence,
May you turn the wheel of the profound and vast Dharma
And may your lotus feet be firm for as long as an eon!
