On behalf of Tsogyal Shedrub Dargyeling Nunnery, we would like to express our heartfelt thanks and gratitude. I am secretary of nunnery. I am very sorry for not replying on time. We the faculty members thank you and the donors that donated INR 1,50,000/- for the welfare of nuns which really benefits them. We bought Slippers for small nuns and Chairs, Tables and Computers for teachers respectively. All above expenses are done expecially for School. And also we have left some money and that money we want to spend it for older nun.

Once again thank you for helping.

Sincerely yours,
